

FAIRFIELD COUNTY'S ONLY SUMMER SHOWCASE FOR ELITE HOCKEY PLAYERS

The Elite Hockey Showcase is a unique opportunity for players of different ages to take advantage of our College, NHL, & Prep coaching staff. For older players, this is a chance to meet, be scouted, and taught by top NCAA coaches. For younger players, this is an intense introduction to what it takes to make it to college hockey. Players will be challenged with high paced skill sessions, college style practices, and competitive games. Also, all players will participate in informative recruiting and placement seminars.
